

time to hydrate
time to focus

the core

emotional creature engine

Decent nudge

The flask is always looking for your attention - but in a yet unobtrusive manner. ✨🎉

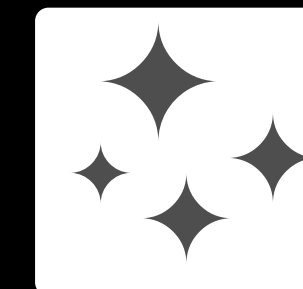

Productivity boost

What is your favourite work shift? flasq is built upon the pomodoro technique and reminds you when it's best to take a sip 💧

Don't dare to ignore

A red flask is a sad flask. No refill for hours, ignoring the pomodoro timer? Don't you dare! Stay hydrated, follow the pace & profit!

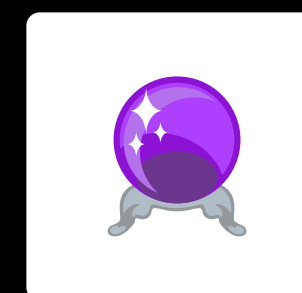

Sparkling stars effect
